**DESCRIPTION OF EVENT IN 50-100 WORDS:**

World No Tobacco Day is observed globally on May 31 each year. It is an initiative by the World Health Organization (WHO) to raise awareness about the harmful effects of tobacco use and advocate for effective policies to reduce tobacco consumption. This annual event serves as a platform to educate individuals and communities about the health risks associated with tobacco use and the importance of quitting smoking. The theme for World No Tobacco Day 2023 was "Commit to Quit." This theme aimed to inspire and support tobacco users in their journey to quit smoking. It emphasized the importance of personal commitment and highlighted the numerous benefits of quitting tobacco, not only for individuals but also for their families and communities.

Social media campaign is done to awareness. Social media platforms were actively utilized to spread awareness and encourage conversations about tobacco-related issues. Hashtags, infographics, and personal stories were shared to engage the online community and amplify the campaign's message.

**DATE OF CONDUCTION: 26<sup>TH</sup> MAY 2023**

**NAME OF COORDINATOR: PROF. SABA SHAIKH**

**RELEVANCE TO PO WITH LEVEL: PO09, PO11**

**DESCRIPTION OF EVENT IN 50-100 WORDS:**

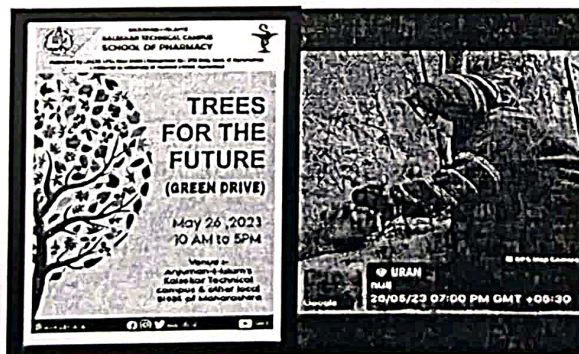

The World Tree Plantation Drive organized by AIKTC School of Pharmacy on 26<sup>th</sup> May. This initiative aimed to raise awareness about the importance of tree planting and contribute to global efforts in combating climate change and promoting environmental sustainability.

The primary objective of the World Tree Plantation Drive was to encourage community participation and engage individuals in tree planting activities. By doing so, we aimed to:

- Enhance environmental awareness: We sought to educate participants and the wider community about the critical role that trees play in mitigating climate change, improving air quality, conserving biodiversity, and promoting ecological balance.
- Foster a sense of environmental responsibility: The drive aimed to instil a sense of environmental stewardship and inspire individuals to take proactive steps in protecting and preserving the environment.

**Plantation Activities:** On the designated day, volunteers gathered at the identified sites and engaged in tree planting. Proper guidelines were provided to ensure the correct planting techniques, including digging appropriate holes, providing adequate water, and mulching to support the trees' growth and establishment.
